

ODDFELLOWS' BLOCK 4230 PETROLIA LINE

The Oddfellows' Hall was built in July of 1888 by R & J Jackson Co. for \$12,000. It has primarily served as the headquarters of the International Order of Oddfellows Friendship Lodge #65 for well over a century.

EARLY ODDFELLOWS BLOCK

The Petrolia Advertiser occupied the building for years followed by L.B. Hopper's hardware store. In 1984, it was designated as a Heritage property due to its fascinating architecture and history. In 2004 The Building was purchased and renovated by Grandis Jewellers.
